Business Notice.

Owing to the lateness of the
cotton crop and the scarcity of
money, we have decided to ex-
tend for a short time the period
in which our present subscribers
can renew at the old rate of one
dollar a year. We hope those
who desire to take advantage of
this opportunity will do so at
once as we can not keep the of-
fer open indefinitely nor can we
call on each of you personally.

There are a few who have al-
lowed themselves to get in ar-
rears. Statements are being
sent to these. If you wish to
secure this saving add to the
amount of your statement what-
ever amount you wish to pay in
advance and you will be credit-
ed ahead that amount at the old
rate of a dollar a year. The
paper is a dollar and a half to all
new subscribers.

We know times are hard and
money scarce, but we are all in
the same straits. So do what
you can—and do it now—for
the old home paper. You'll
miss it and your family will miss
it if it stops coming, and two
cigars less a month will more
than pay for it.

Hoping you will appreciate
our position and come to our as-
sistance, we are yours to serve.

M. O. W. Lecture.

G. D. Baker, editor of the publication in the State and lecturer of the order is making a tour through portions of Western Texas being included in his tour on Saturday night, September 1st, being the date of his appearance here. Mr. Baker addressed the members at Uvalde Thursday and at last night. It is particularly interesting that all members of the Woodmen and Woodman Circle be present and hear Mr. Baker as he will discuss recent changes in the order.

F. F. F. Party.

Miss Gaines delightfully entertained the F. F. F. at her home on Friday evening, August 27, honoring the birthday of Sabinal. Music was furnished on the Victrola throughout the evening.

Many interesting games of refreshments were served to Alta Isom, Lorine and Lucile and Bennie Hurt, Christine and Dora Filleman, Ella Lee, Clara, Willie Mae, Mr. Gaines and the hostess.

Mrs. James Dead.

Mrs. Laura E. James, wife of E. M. James, aged 64 years, two months, and six days, departed this life Aug. 30, 1917; in the early morning-hours. Her remains were tenderly laid to rest in the new cemetery in Hondo at six o'clock the same evening, the burial rites of her chosen church being observed at her funeral.

Mrs. James was converted at a Methodist Meeting in her girlhood days, and later in life joined the Baptist Church, and then in July, 1916, joined the Pentecostal Church of the Nazarenes.

She fell asleep, in full assurance of faith, giving clear testimony of a living hope in Jesus only a few hours before her departure. She leaves a husband and four children, Bud James, Mrs. Petty, Mrs. Eims, and Mrs. Burnett. Also a number of grand-children and many friends are left to mourn their loss; but not as those who have no hope. We extend to them our heart felt sympathy, and commend unto them Jesus Christ who is able, willing and ready to speak peace to the broken heart and to breathe the consolation of everlasting life into every humble, contrite and believing soul. May our God, through Jesus Christ, save in this hour of grief and tribulation.

Secure Their Loans.

Officials of the Hondo Farm Loan Association have received notice from the Farm Loan Bank of Houston that twenty-five out of twenty-six applications for loans have been granted by the bank to members of their association. The sole rejection was on some lands located in Atascosa County. Twenty loans were granted as asked for and five were subjected to some slight revision by the bank. This speaks well for the efficient manner in which the local board of appraisers performed its important duty.

Several new applications for membership in the local association have been filed with its secretary.

Get Ready the Wreaths.

Fannie Hurst, America's most popular writer of short stories, never wrote a finer one than appears in September Cosmopolitan, now on sale.

"Get Ready the Wreaths" has a tear and a smile in almost every line. It is a story of supreme love and sacrifice—of an indulgent mother, a selfish girl and old-world memories that sear the soul.

In this story Miss Hurst has touched a universal chord of sympathy and understanding that reaches deep down into every human heart.

When you read this story you will feel that you have a better understanding of Humanity.

This is only one of the many wonderful features in this month's Cosmopolitan.

Pursuant to President Wilson's new ruling as to the exemption of married men from the operations of the army draft law, the local board has asked that the district board return the papers in the cases of 20 men certified to it from Medina County for service. It is expected that these men will be discharged. SUFFERED 20 YEARS AND WAS TOLD SHE COULDN'T GET WELL

Railroad Man's Wife Was in Miserable Health—Gains 15 Pounds on Tanlac and Now Feels Fine.

"Two months ago when I was told I could never get well I almost sank in despair, but when I took Tanlac a while and found my troubles were all gone I felt like shouting for joy," said Mrs. J. Ramsey, wife of a well known fireman for the M. K. & T. railroad, and residing at 629 West Falls Avenue, San Antonio, while in Wagner's Drug Store a few days ago.

"For more than twenty years," continued Mrs. Ramsey, "my kidneys and bladder were out of order and no one knows the suffering and worry I had to endure. I would turn red and have some kind of spells that I just can't describe and I was afraid to come down town alone. My bladder was very weak and painful—bothered me all the time—and the hurting in my back was something awful. About two months ago, I was told I could get no relief from anything, in fact. I was given up as a hopeless case, and no one can imagine how discouraged and despondent I felt. My right hip and side pained me so I could hardly stand it and my hand on that side would swell twice its regular size. Six years ago, I underwent an operation, my nerves have been all shattered, and I haven't been able to get a good night's sleep since that time. My skin was yellow and all wrinkled up and my eyes would smart and burn. "Surely no poor women ever suffered much more than I did and nobody could be more grateful for anything than I am for what Tanlac has done for me. A very dear friend gave me my first bottle of Tanlac and it has acted more like a miracle than medicine with me and brought me the first real relief I have had in twenty long years. I have only taken two bottles so far and have actually gained fifteen pounds in weight, but the best of it all is, I feel like a new woman. My complexion has cleared up, the wrinkles have all about disappeared, and anybody who knows the dreadful condition I was in can see the wonderful change Tanlac has made in me. My kidneys and bladder don't bother me like they did, my pain and misery is all gone. I sleep like a child every night and can go anywhere I please now alone. I was almost distracted with suffering before I took Tanlac, but I now feel better than I have in many years and I hardly know how to express the joy I really feel over my wonderful relief. I gladly recommend Tanlac to all suffering women because I honestly believe from what it has done for me that it is the best medicine that has ever been made."

Tanlac is sold in Hondo by W. H. Windrow, in Devine by Lion Drug Store, in D'Hanis by Louis Carle, in LaCoste by Dickey Drug Co., and in Dunlay by Louis A. Haby.

OLDER BUT STRONGER

To be healthy at seventy, prepare at forty, is sound advice, because in the strength of middle life we too often forget that neglected colds, or careless treatment of slight aches and pains, simply undermine strength and bring chronic weakness for later years.

To be stronger when older, keep your blood pure and rich and active with the strength-building and blood-nourishing properties of Scott's Emulsion which is a food, a tonic and a medicine to keep your blood rich, alleviate rheumatism and blood sickness. No alcohol in Scott's.

"LET US HAVE PEACE."

Under the same heading in another issue of this paper there appeared a few words by Mr. Fletcher Davis.

They were certainly consoling words to so many already grief-stricken parents to think that there may be a chance for peace, and upheld by one of our citizens.

The consideration of peace is the greatest consideration the world can put forth. Our President has gone to war he says for our rights. To fight for our rights we should and it is something to be proud of. However, there are horrors to war. Happy homes will be ruined. Women and children must weep. Young men in the bloom of life must give up their lives of usefulness. And greatest of all, the Nation will be deprived of the coming generation that is to make it great and keep us going. All this is hard to realize unless we actually take part in a war ourselves.

The vast sums of money, too, that are being spent could be used in making our Nation a garden of flowers, which we so much now desire, instead of putting it to waste.

But now peace proposals come to us. It is time for the people to join in with the prayer for peace and try to do all they can for same. If they don't, who is to blame for horrors and have they a right to murmur dissatisfaction?

Thanks to Mr. Davis and to others for their future good work.

My prayer unto the Lord is with the masses and the Pope.

Let us have peace.

EDGAR SEBASTIAN RIEBER.

HAVE YOU A BAD BACK?

If You Have, the Statement of This Hondo Resident Will Interest You.

Does your back ache, night and day? Hinder work; destroy your rest? Does it stab you through and through? When you stoop or lift or bend? Then your kidneys may be weak. Often backache is the clue.

Just to give you further proof, The kidney action may be wrong. If attention is not paid More distress will soon appear. Headaches, dizzy spells and nerves, Uric acid and its ills Make the burden worse and worse. Liniments and plasters can't Reach the inward cause at all; Help the kidneys—use the pills Hondo folks have tried and proved. What they say you can believe. Read this Hondo woman's account. See her, ask her, if you doubt.

Mrs. Heyo Schweers says: "I suffered from an attack of kidney complaint; the whole trouble seemed to be with the kidneys acting irregularly. I believe the complaint was brought on by a cold settling in my kidneys. I got Doan's Kidney Pills at Windrow's Drug Store and after short use, the trouble was removed. It has never returned."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schweers had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

"THE BOY WHO GIVES."

No lip service in theirs. "Here are our bodies," they say. "Here are our hopes. Here are our loves. Here are our ambitions, our dreams. Our everything we here pledge for our country and our God." Truly, we approach a sacred day!

And we older ones who stay behind can but feel how small are the things we do in the cause. We buy Liberty Bonds, and we contribute to the Red Cross, and we belong to the Home Guards, and we putter about war committees. But how futile our work seems compared with the sacrifice of the glorious boy next door, who is going to his training camp to prepare for active service!

I have said he gives everything. Yet on second thought, he is not giving everything. He is not giving up his ideals. To these he holds fast; for these he is ready to fight and die.

Of course, he does not think or speak of himself in just that way. The spirit is voiceless. He who sacrifices goes ahead proudly and does the job without a word.—Selected.

Has a High Opinion of Chamberlain's Tablets.

"I have a high opinion of Chamberlain's Tablets for biliousness and as a laxative," writes Mrs. C. A. Barnes, Charleston, Ill. "I have never found anything so mild and pleasant to use. My brother has also used these tablets with satisfactory results."

LEMONS WHITEN AND BEAUTIFY THE SKIN

Make this beauty lotion cheaply for your face, neck, arms and hands.

At the cost of a small jar of ordinary cold cream one can prepare a full quart pint of the most wonderful lemon skin softener and complexion beautifier, by squeezing the juice of two fresh lemons into a bottle containing three ounces of orchard white. Care should be taken to strain the juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier.

Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart pint of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands. It is marvelous to smoothen rough, red hands.

Cincinnati man tells how to
up corns or calluses so they
lift off with fingers.

Ouch ! ! ! ! ! This kind of talk will be heard less here in people troubled with corns than the simple advice of this authority, who claims that a lot of a drug called freezezone when used as a tender, aching corn or hard toe stops soreness at once, and the corn or callus dries up and falls off without pain.

He says freezezone dries up and never inflames or even irritates surrounding skin. A small freezezone will cost very little, freezezone, but will positively every hard or soft corn or callus one's feet. Millions of Americans will welcome this announcement the inauguration of the high your druggist doesn't have free him to order a small bottle for
